

# 3 years of the Platform **Acelera pyme**

Since **2021**, at **Acelera pyme** we have been working to promote and support the digital transformation and evolution of SMEs and the self-employed.

**We are celebrating our third anniversary to reaffirm our commitment to:**

- **Improving the efficiency** of SMEs and self-employed and entrepreneurial people.
- **Enhancing the competitiveness** of small businesses.
- Avoiding their **digital obsolescence** by helping them to discover, implement and exploit **digital tools** according to their sector and business moment.

## In these **three years...**

Acelera pyme has grown as an integrating **community** of SMEs and freelancers who want to grow with **our tools, didactic contents and activities.**

## That is why **we now have:**

**+1.13M** SMEs registered in **acelerapyme.es**

**+240** **Acelera pyme offices** throughout Spain and also in **rural areas!**

**+1.12M** **Self-diagnosis tests**

**3** **Programmes of digitalization:** Digital Kit, Consulting Kit and Connectivity Bonus

## In addition, we **continuously innovate**

To offer more contemporary **didactic content** formats such as:

- Webinars, monographs, articles, infographics and real cases of digitization.
- Podcasts and interviews with experts.
- News, trends and practical initiatives.

**Three years growing with you, and we're still going!**
